Supervisors and Middle Managers;
Direct Caregivers;
Family Members;
Family Peer Advocates;
Youth Peer Advocates;
SPOA Coordinators; and
Other Children's Behavioral
Health Professionals

The NYS Coalition for Children's Behavioral Health in cooperation with the New York State Office of Mental Health, invites you to submit a presentation to share your positive experiences, models of excellence, and innovative ideas with your colleagues during the NYS OMH & NYS Coalition for Children's Behavioral Health Staff Development Training Forum.

This year, in addition to sessions on approaches to improving quality of care, addressing specialized population, and best practices within the continuum of services for children and youth; topics will also include the expansion of children's behavioral health Medicaid services. These services will allow more access for children/youth under age 21, easier and earlier in their lives, and include supports for families to engage fully in their child's treatment. For example, the addition of six (6) new Children and Family Treatment Support Services, including: Other Licensed Professional (OLP), Crisis Intervention, Community Psychiatric Supports and Treatment (CPST), Psychosocial Rehabilitation Services (PSR), Family Peer Support Services (FPSS), Youth Peer Support and Training (YPST) will be of interest to children's providers, children and youth serving community based organizations, schools, children/youth and families.

The Annual Staff Development Training Forum Planning Committee encourages you to share your experience, innovative practice, evidence-based research, and models of excellence as a basis to submit any session that is relevant to the topics of interest listed on the next page.

Proposals will be selected by the 2019 Annual Training Forum Committee based on:

Relevance to the field,
theme, target audience/
program
Curriculum
Innovativeness
Practical application and
usefulness of information
Opportunity to model
programs and skills to bring
back to the agency/field

SUBMISSION GUIDELINES:
